FLAD SCIENCE AWARD – MENTAL HEALTH

CALL 2023

BIOGRAPHICAL SKETCH

Please provide the following information for the Applicant.
Follow this format and DO NOT EXCEED FOUR PAGES.

Applicant (PT)			
Surname:		*First Name*:	
Present Position/Title:		*Nationality*:	
Department/Laboratory:			
Institution:			
EDUCATION/TRAINING (Begin with baccalaureate or other initial professional education, include postdoctoral training and residency training if applicable)			
INSTITUTION AND LOCATION	DEGREE (IF APPLICABLE)	MM/YY	FIELD OF STUDY
Scopus Author ID (or other considered relevant):			

A. Personal Statement
Briefly describe why your experience and qualifications make you particularly well-suited for your role (e.g., PD/PI, mentor, participating faculty) in the project that is the subject of the application. Within this section you may, if you choose, briefly describe factors such as family care responsibilities, illness, disability, and active duty military service that may have affected your scientific advancement or productivity.

B. Positions and Honors
List in chronological order previous positions, concluding with the present position. List any honors.

C. Selected Peer-reviewed Publications
List up to 10 publications. Do not include manuscripts submitted or in preparation. Selection should be based on the impact to the field, and relevance to the proposed research.

D. Research Support
List both selected ongoing and completed research projects for the past three years. Begin with the projects that are most relevant to the research proposed in the application. Provide the title of the grant, your role in the project, the source, the period covered and the amount. Include references to projects submitted but not approved in which the candidate was the principal investigator.

E. Research Autonomy
Provide a brief overview of your research and leadership experience and capacity to develop autonomous research (no greater than 250 words)
