

## **2024 “R&D@USA”**

### **INTERNSHIP GRANTS IN THE USA**

Research Grants for Master students, PhD students and junior researchers (with a PhD no longer than 3 years) at Portuguese institutions, for internships in the USA, hopefully equal to or greater than four months.

The internships presented for evaluation should focus on innovative scientific or technological subjects, while also contributing to a greater alignment between Portuguese and American institutions in the hope of bolstering the knowledge network shared by the two countries and thus facilitating the creation of institutional partnerships.

#### **Grant Conditions**

Funding of up to EUR 1.500/month.

Applications will be accepted according to the following requirements:

- Portuguese nationality or resident in Portugal;
- Master students, PhD students and junior researchers (with a PhD no longer than 3 years) at Portuguese institutions of higher education and/or research centers;
- Internship program;
- Acceptance letter from the US institution, mentioning the internship period of stay;
- Letter of reference from the Portuguese institution to which the applicant is institutionally bound;
- Detailed budget of expected costs and the sources of funding applied for to finance this internship.
