

1. Institution Overview

Instituto Superior de Ciências Sociais e Políticas - Universidade de Lisboa (ISCSP-ULisboa)

The Institute of Social and Political Sciences of the University of Lisbon (ISCSP-ULisboa) is a Higher Education Institution focused on teaching and research in the area of Social and Political Sciences.

This institution has the mission of conceiving, disseminating and applying knowledge in the areas of Social and Political Sciences, promoting the training of highly qualified professionals and the development of critical thinking oriented towards solving contemporary problems. The institution focuses on a strong link between teaching, research and intervention in society, actively contributing to public debate and the definition of public policies. With its 120 years of experience, it has accumulated knowledge that currently allows it to enhance its ability to help students/graduates/researchers find the most appropriate path for the present day, with all the political and social challenges that arise daily.

Among its areas of expertise are, Anthropology, Communication Sciences, Human Resources Management, International Relations, Political Science, Public Administration, Sociology and Social Work. ISCSP-ULisboa also stands out for its interdisciplinary vocation, internationalization, and cooperation with national and foreign institutions.

Its relevance is evident in the training of personnel for public administration, international organizations, the private sector, and the third sector, as well as in the production of applied knowledge that supports decision-making and the sustainable development of society.
